Code Of Behaviour Policy

Introductory Statement

This policy was drawn up in consultation with the staff, parents and board of management of Claremorris Boys National School. Claremorris Boys National School is a co-educational national school with a current enrolment of 100 children. It caters for boys from Second to Sixth Class. There are 5 classrooms with a team of 7 teachers, 2 of whom work in special education context. There is one shared SET allocation 2 days a week. The school also has an NCSE allocation of and 1 and a half Inclusion Support Assistant positions (ISAs). This policy fulfils the requirements to have a Code of Behaviour.

Rationale

The existing policy was due for review, thus ensuring an orderly climate for learning in our school. It is a requirement under the Education Welfare Act, 2000, Section 23 (1) which refers to the obligation on schools to prepare a code of behaviour in respect of the students registered in our school. It details in Section 23 (2), that the code of behaviour shall specify:

- The standards of behaviour that shall be taken when a student attends the school.
- The measures that shall be taken when a student fails or refuses to observe standards.
- The procedures to be followed before a student may be suspended or expelled.
- The grounds for removing a suspension imposed in relation to a student.
- The procedures to be followed in relation to a child's absence from school.

This policy was drawn up in order to promote a happy and a safe school environment for all pupils, teachers and parents in order to ensure optimal conditions for effective teaching and learning, as outlined in our school's mission statement. It reflects the Catholic Ethos of our school in line with the Schedule for Catholic Schools as set out in our School Plan.

Aims

Claremorris Boys National School will endeavour to:

- To promote and maintain a happy and a safe school environment for all pupils, teachers and parents in order to ensure optimal conditions for effective teaching and learning.
- To provide clarity with regard to expectations about how each member of the school

community will promote positive behaviour and learning environment in the school.

- To focus on affirming good behaviour and setting high expectations for standards of behaviour throughout the school.
- To foster the development of relationships of trust and mutual respect between children, staff, parents and the wider school community.
- To facilitate the education and development of every child.
- To foster caring attitudes towards each member of the school community, to promote respect for diversity and allow for appropriate accommodation of difference in accordance with the equal status legislation.
- To reflect that this school acknowledges that unacceptable behaviour may be linked to external factors. Positive support including active teaching of relevant skills will be provided for those children who are more vulnerable to behavioural problems.
- To specify practical strategies to be employed within the school community to support high expectations of positive behaviour throughout the school, with due regard to the age of the pupils and to individual difference.
- To ensure that the principle of fairness, consistency and natural justice are adhered to by all members of the school community towards each other.
- To help each child to experience the value of being a responsible participating member of the school community.
- To outline procedures to be followed where a child fails or refuses to observe standards of behaviour expected and set out in this code of behaviour.

Implementation

Every member of the school community has a role to play in the implementation of the code of behaviour. Teachers will respond promptly and firmly to any incidents of unacceptable behaviour. Rules will be kept to a minimum, emphasise positive behaviour and will be applied in a fair and consistent manner, with due regard to the age of the pupils and to individual difference. Good behaviour will be encouraged and rewarded. When difficulties arise, parents will be contacted at an early stage. Parents are a vital component of the school community. The school needs the support and co-operation of parents to achieve good behaviour and discipline. Parents should model positive behaviour and encourage their children to abide by the school rules.

This code of behaviour will provide a sound foundation for a whole school approach to promoting good behaviour and for responding to unacceptable behaviour based on a shared

understanding of what shapes the behaviour of children and positive strategies for affirming and promoting good behaviour.

Every member of the school community has a role to play in the implementation of this Code of Behaviour. Emphasis is on a holistic, preventative approach which involves all partners (BOM, Staff, Parents and Pupils) in the school community in understanding, drafting and implementing the school's Code of Behaviour.

Roles and Responsibilities Promoting Positive Behaviour

The Board of Management: The board ensures that the entire school community is involved in the development, implementation and review of the school's Code of Behaviour. The BoM provides a comfortable, safe learning environment conducive to supporting positive behaviour. It supports the principal, staff and parents in implementing the Code of Behaviour by providing opportunities for:

- Staff to deepen their understanding of the factors that affect behaviour and help children to change behaviour.
- Dialogue among staff about the nature of behaviour, as the basis of a whole-school approach to promoting good behaviour and responding to unacceptable behaviour.
- Exploring ways of helping parents to understand how they can help children to behave and learn well at school.
- Finding ways of helping children to understand their own behaviour, the reasons for it and ways they can manage their behaviour and relationships.

The Principal: Positive and supportive leadership from the principal promotes successful implementation of the Code of Behaviour across the school community. The principal will:

- Promote a positive climate in the school.
- Ensure that the Code of Behaviour is implemented in a fair and consistent manner.
- Arrange for review of the Code of Behaviour, as required.

Staff Involvement In Promoting Positive Behaviour

Staff will utilise practical strategies to encourage and promote positive behaviour in the classroom. A warm and accepting classroom climate is one where children feel cared about and are encouraged to care about each other. Staff will work from evidenced based initiatives such as the **SPHE Curriculum, Friends for Life, Zones of Regulation** and **Stay Safe**

programs in order to support the Code of Behaviour. These programmes aim to help our children develop communication skills, appropriate ways of interacting and behaving and conflict resolution skills. It also aims to foster self-esteem and to help children accommodate differences and develop citizenship.

- Teach the Behaviour Charter (Second - Sixth Class) using role play, modelling and practice at the beginning of the school year and revise at regular intervals throughout the year.
- Be alert to what is going on in the classroom at all times.
- Praise and reinforce positive behaviour e.g. by saying “I like the way you are/did/said ...”, use appropriate reward systems such as star charts, dojos, allocate extra Golden Time, Weekly certificates for Good Behaviour etc.
- Establish and clearly communicate expectations for behaviour, class routines and boundaries. The Behaviour Charter will be clearly published and displayed in every classroom as a reference for the children and the staff.
- Explain the connection between a child’s behaviour and its consequences e.g. removal from disruption if distracting others to appropriate focus table /concentration table.
- Use strategies to help children maintain these routines and boundaries e.g. using prompt card systems for keeping children on task, use of visual time-tables, first/next visuals etc.
- Keep children actively involved in their learning, vary teaching methodologies e.g. mixture of whole class collaboration, group work, pair work and individual work with a focus on active learning methodologies.
- Ensure smooth transition between subjects and classroom ensuring time for movement and regulation breaks using Go Noodle and Brain Breaks.
- Enforce classroom rules promptly, consistently and equitably.
- Refer to the rule being broken when warnings are given.
- Give warnings using the system outlined below.

Behaviour Charter Rules And Procedures

I am expected to:

1. *Respond politely and greet others.*
2. *Show respect to teachers, other students and to property in and around the school.*

3. *Listen and follow instructions given by all staff members.*
4. *Work hard, participate fully and take my turn.*
5. *Sit on my chair at my desk during indoor break times and morning assembly time.*
6. *Walk and use an indoor voice on the corridors.*

Step 1: Warnings, Time Out, Note Home - (Appendix 1)

- First warning and explain the reason for the warning to the child.
- Second warning with explanation and reminder that the third warning leads to Time Out.
- Third incident leads to a Time Out. This is supposed to be framed as **thinking / calm-down time**.
- Language of choice will be used e.g. you're choosing not to follow instructions so you're choosing to break rule number 3 and therefore you get a warning/Time Out.
- Teacher keeps a record of this Time Out and the child misses 2/5 mins (2nd) and 10 mins (3rd- 6th class) of Golden Time. If there are more Time Outs in the week this time accumulates.
- Time out has to be communicated with parents / guardians. Parent/guardian receives a message on Aladdin informing them of the Time Out e.g. " _____ broke behaviour Charter Rule/Expectation No. 3 three times as he was not following instructions. Therefore he was given a time out".
- Teachers will also phone/talk to a parent at home time about this Time Out.

Step 2: Parent Consultation & Behaviour charts - (Appendix 2)

- If the child receives 2 additional Time Outs in a short period of time a behaviour chart is commenced and a consultation set up with the parent/guardian.

Step 3: Principal, Parent, Child Meetings

- Three further Time Outs lead to the principal being informed. A meeting will ensue between parents, child, teacher and the principal. This will lead to a loss of privilege. See Sanctions listed below.

Sanctions May Include:

- Reasoning with the pupil.
- Verbal reprimand including advice on how to improve.

- Temporary separation from peers within class and/or temporary removal to another class.
- Prescribing restorative practice worksheet - **Appendix 3**
- Loss of privileges- chrome book time, extracurricular activities i.e. athletics, football, hurling, basketball, quiz teams, trips away, outings.
- Detention during break for yard misdemeanours.
- Exclusion (Suspension or Expulsion) from school (in accordance with Rule 130 of the Rules for National Schools as amended by circular and Education Welfare Act 2000).

Pupils will not be deprived of engagement in a Curricular Area, except on the grounds of health/safety.

Promote Positive Behaviour in the Yard

Practical Strategies for teachers to encourage and promote positive behaviour in the yard:

- Teachers will establish and maintain consistency in terms of expectations for behaviour, routines and boundaries for children in the yard or toilet area as stated in the Behaviour Charter for yard.
- Teachers will enforce rules promptly, consistently and equitably.
- Teachers will be attentive to the children on yard promoting positive behaviour when they see it in action.

On yard children are expected to:

- Walk and use an indoor voice on the corridors.
- Line up in line order when the bell goes.
- Play safely and appropriately.
- Sanctions: Children are removed to time-out space if behaviour is deemed to be unsafe or inappropriate.

Detention: This is for yard misdemeanours only

- Parents will be informed once their child's name is in the yard book.
- Yard books will be monitored on a monthly basis. Children begin afresh each month.
- If a child's name is in the yard book three times they then go to detention.

- Yard teachers will monitor yard books and send a list of names to the office.
- Detention held every second Thursday during lunch.
- Restorative practice sheet used – (age and stage appropriate versions used).

Parental Involvement Promoting Positive Behaviour

The Parents Association Committee as a representative group are consulted and involved in drafting and reviewing the school's Code of Behaviour and Attendance Policy. The Code of Behaviour and Attendance Policy is clearly communicated to all parents. At enrolment each parent receives a copy of the Code of Behaviour and Attendance Policy and is requested to sign to show that they have read the code and accept and support its implementation.

As part of the preventative nature of the school's approach to positive behaviour, parents are informed at the earliest opportunity where their child's behaviour is deemed to be unsafe and inappropriate.

Parents are encouraged to support children to have a sense of respect for themselves and for property and to:

- Ensure that children attend school regularly and punctually.
- Be interested in, support and encourage their children's school work.
- Be familiar with the Code of Behaviour and support its implementation.
- Cooperate with teachers in instances where their child's behaviour is causing difficulties for others.
- Communicate with the school in relation to any problems which may affect a child's progress/behaviour.

Parents are reminded that the staff of the school does not accept responsibility for pupils before official opening time of 9.10 a.m. or after the official closing time of 3.00 p.m. The BoM and school community will ensure that systems are in place to acknowledge behaviour, progress and effort, through reward systems as outlined previously, under positive strategies for promoting positive behaviour in the school. Most children behave appropriately, with the help of consistent and clear rules and routines in class and in school. Occasional minor misbehaviour will be attended to routinely and effectively through the skill of the classroom teacher. Some children need more active intervention to help them to manage their behaviour. Without additional help, they may be at risk of failing, behaviourally, socially and educationally.

Additional inputs or interventions might include:

- Referral to another teacher or adult who can work with the child in an SEL group. focussing on Friends for Life programme or Zones of Regulation.
- Setting targets for behaviour and monitoring them with the child in a supportive way.
- Providing a designated space for children to play in the yard.
- Behaviour Charts (see appendix 2).

Suspension/Expulsion: Before serious sanctions such as detention, suspension or expulsion are used, the normal channels of communication between school and parents will be utilised and recorded on Aladdin.

For gross misbehaviour or repeated instances of serious misbehaviour suspension may be considered. Parents concerned will be invited to come to the school to discuss their child's case. Aggressive (physical or verbal), threatening or violent behaviour towards a teacher or pupil will be regarded as serious or gross misbehaviour.

Where there are repeated instances of serious misbehaviour, the Chairperson of the Board of Management will be informed and the parents will be requested, in writing, to attend at the school to meet the Chairperson and the principal. If the parents do not give an undertaking that the pupil will behave in an acceptable manner in the future the pupil may be suspended for a period. Prior to suspension, where possible, the Principal may review the case in consultation with teachers and other members of the school community involved, with due regard to records of previous misbehaviours, their pattern and context, sanctions and other interventions used and their outcomes and any relevant medical information. Suspension will be in accordance with the Rules for National Schools and the Education Welfare Act 2000.

In the case of gross misbehaviour, where it is necessary to ensure that order and discipline are maintained and to secure the safety of the pupils, the Board may authorise the Chairperson or Principal to sanction an immediate suspension for a period not exceeding three school days, pending a discussion of the matter with the parents.

Expulsion may be considered in an extreme case, in accordance with the Rule for National Schools and the Education Welfare Act 2000. Before suspending or expelling a pupil, the Board shall notify the Local Welfare Education Officer in writing in accordance with Section 24 of the Education Welfare Act.

Removal of Suspension (Reinstatement): Following or during a period of suspension, the

parent/s may apply to have the pupil reinstated to the school. The parent/s must give a satisfactory undertaking that a suspended pupil will behave in accordance with the school code and the Principal must be satisfied that the pupil's reinstatement will not constitute a risk to the pupil's own safety or that of the other pupils or staff. The Principal will facilitate the preparation of a behaviour plan for the pupil if required and will re-admit the pupil formally to the class.

Record Keeping: In situations which require active intervention to assist children to improve their behaviour, the class teacher will record observations on a Behaviour Record Sheet. Each teacher electronically records any substantiated form of bullying behaviour. Monthly analysis of these records will be carried out by the Assistant Principal. Where incidences of misbehaviour occur in the school yard the misbehaviour will be recorded in the Yard Book. Where there is any allegation of bullying this will be recorded on Aladdin. All such records will be kept on file and stored securely.

Managing Aggressive or Violent Behaviour: If a child is presenting as aggressive, the staff will work with the Special Needs Organiser (SENO), National Educational Psychology Services (NEPS), the National Council for Special Education (NCSE) and the Health Service Executive (HSE) to find strategies to deal with the behaviour, manage aggression and protect other children, staff and parents. The purpose of sanctions and other strategies is to promote positive behaviour and discourage misbehaviour. Sanctions will be applied according to the gravity of the misbehaviour, with due regard to age and emotional development.

Procedure for Notification of a Child's Absence from School: Parents are required to inform the school via the Aladdin App of the reason for a child's absence in writing. The school is required under the obligations of the Education Welfare Act 2000 to record and report children's absences to TÚSLA (Child And Family Agency) when a student has reached 20 days absence cumulatively.

Success Criteria

- Parents/Guardians, pupils and teachers will know agreed strategies.
- Trust will exist between pupils and teachers.
- Children will feel valued and responsible.
- Behaviour Charter will be displayed throughout the school and adhered to.
- Claremorris Boys National School will be a positive and safe working / learning environment for all involved.
